Dear Sir/Madam

Re: Mountsett Crematorium Fees & Charges 2026 / 2027

This letter is to advise you that there will be an increase in cremation fees and associated costs with effect from 1st April 2026.

Details of the prices are overleaf.

I would like to thank you for your co-operation of issuing cheques and BACS payments so promptly and would be grateful for payments either in advance or on the day of each funeral. For anyone wishing to switch to BACS payment, please call the office to discuss. All Funeral Directors are required to provide details of the corresponding cremation number(s) each time they make BACS payments.

The **48-hour deadline** time for receiving all paperwork for cremation at Mountsett Crematorium has improved daily circumstances. Too many problems occur when forms are delivered to my office later than the stated time, particularly if the forms are not completed correctly. The dedicated team of staff are always willing to help. However, the sooner the forms are sent in the better. We are still accepting emailed forms, these must be emailed to the main Mountsett email address only.

Cancellations have never occurred here at Mountsett, as we do not wish to upset bereaved families any further. It is imperative that all paperwork is received into my office **no later than 11am and 48 hours** before the funeral service date. However, a **charge** has been included **whereby any service that has to be cancelled less than 48 hours' notice, a cost of £260 will be charged** to the funeral director cancelling the booking.

In order to comply with the new General Data Protection Legislation, we are unable to supply any identifiable living people (doctors or applicant) details once the medical forms have been brought to my office. We do appreciate this can sometimes prove difficult; however, it would be most helpful if medical information is noted before the delivery of forms.

I must stress the importance of an **External Coffin Size** when booking / confirming an appointment time. Any coffin width wider than 28 inches long or Cardboard / Wicker must be booked for a morning slot. Our maximum coffin size is 6'8" long by 36" wide by 20" deep.

Can we also remind you to ensure that suitable coffins are used, preferably those that have passed the Funeral Furnishing Manufacturers Association Test Protocol. It is also helpful if you can advise and record what type of coffin you will be bringing to our crematoria on the 'Notice of Cremation' paperwork.

Please also note Glass, Ceramics, bottles, tins, excessive amount of paper and other such things are not permitted inside the coffin.

I would like to take this opportunity to thank you all for your continued support Your continued assistance is very much valued at all times.

Yours faithfully,

Graham Harrison FICCM
